Event Overview

Survivor Network's Benefit Gala is an annual event uniting our community to raise awareness and funds for survivors of human trafficking.

Filled with powerful moments: artwork, music, and spoken word. Survivors take the stage not to relive trauma, but to reclaim their stories and boldly declare: "You will not define me by what I've been through — watch what I do next".

This event is a sacred space — one that honors growth, resilience, and the full humanity of those who have walked through unimaginable pain and dared to heal out loud. Whether you're a survivor, a provider, or an ally, the Expression Emporium reminds everyone in the room that transformation is not just possible — it's happening.

It's not about glamorizing trauma. It's about celebrating strength.
